SPEAKER LUEDTKE: Mr. President, members of the Legislature, I would just like to make an announcement to the attention of all the chairpersons, particularly. It will be impossible for the Clerk to make up the letterheads for the individual Senators unless and until the committees have certified to the Clerk the make-up of the committees, in other words, the vice chair position and so forth, because without those, these letterheads cannot be made up and they won't be up to date. So if you are wondering why your letterheads are being held up or why you don't have them, this is the basic reason.

PRESIDENT: Senator Richard Lewis.

SENATOR R. LEWIS: Mr. President, I would just like to alert the Public Health Committee that we are having a hearing at 10 o'clock this morning and another this afternoon and also we have had interested people request a hearing with the committee and we will have an audience with those people after the last bill is heard. And I would further inform this body that Senator Moylan is the vice chairman of that committee, so in making up the committee letterheads, I would want to be sure that that is included.

PRESIDENT: The Clerk advises that we need a written report on that, Senator Lewis. Do you have any other announcements, Mr. Clerk?

CLERK: Mr. President, the Government Committee will meet today under the South balcony at 1:25 p.m.

PRESIDENT: Are you ready for the introduction of bills? Mr. Clerk, would you please read the bills that are ready for introduction.

CLERK: Mr. President, some new bills. (Read title to LB 194, LB 195, LB 196, LB 197, LB 198, LB 199, LB 200, LB 201, LB 202, LB 203, LB 204, LB 205, LB 206, LB 207, LB 208, LB 209, LB 210, LB 211, LB 212, LB 213, LB 214, LB 215, LB 216, LB 217, LB 218, LB 219, LB 220, LB 221, LB 222, LB 223, LB 224, LB 225, LB 226, LB 227, LB 228, LB 229, LB 230, LB 231, LB 232, LB 233, LB 234.) PRESIDENT: I have signed the Resolution. The Chair recognizes the Speaker.

SPEAKER LUEDTKE: Mr. President, members of the Legislature, first of all, I want to remind all of you that tomorrow, the 18th, is for all practical purposes the last day that you can take bills down to the bill drafter to come under the 10th Legislative deadline. Secondly, since all of
